Experience:

City of Atlanta
Fulton County, Georgia

Highlights:

Permit Expedition
Zoning Issues
Community Outreach
Land Planning

Lemongrass Consulting has helped land development teams pull building permits from the City of Atlanta and Fulton County.

- We draft and submit permit applications.
- We have served as permit expeditors.
- We can track permit applications and site plan reviews as the plans travel through City Hall and the County for approval.
- We coordinate meetings and serve as facilitators.
- We can help resolve problems.
