

## Management Consulting – Business Process Improvements

Lemongrass Consulting has experienced professionals and certified planners and can conduct Business Process Improvements.

Clovia Hamilton leads the Lemongrass team. While serving as a Principal Civil Engineer and Plan Review Coordinator, helped reorganize the City of Atlanta's Department of Watershed Management's Site Development Office.

Clovia restructured the plan review process to better track plans, reduce lost plans, and reduce plan review time.

Lemongrass Consulting, Inc., 951 Gettysburg Way, Locust Grove, GA 30248, phone 770.898.6459, fax 770.898.3911
