LEMONGRASS CONSULTING, INC.

About Lemongrass

Lemongrass Consulting provides a broad range of service offerings including educational support, strategic planning, intellectual property strategic plans, technology transfer assistance, community outreach, research and writing.

We advocate a multi-discipline approach to problem solving which includes planning, legal compliance, engineering analytics, and public management.

Lemongrass Consulting was founded in 2005 by Clovia Hamilton. Clovia has more than 25 years of professional experience as a civilian civil servant and as a consultant.

The firms' broad range of service offerings optimize our clients return on innovation, involvement, and investment.

We have completed several small business training programs including the :

- Clean Water Atlanta Small Business Development Program, and the
- Georgia's Governor's Mentor Protégé Program with Heery International as a mentor firm.

We pride ourselves in providing high quality, responsive, and responsible results—in a soothing, calming, stress-free manner.

Educational Support & Strategic Planning

"I was extremely impressed with Lemongrass Consulting when its CEO, Clovia Hamilton facilitated a strategic planning retreat for the Fulton County Department of Health and Wellness General Medical/Nursing Division. Her presentation was informative, and the retreat attendees gained a better understanding of the strategic planning process." - Carolyn McKenzie

Community Outreach

Lemongrass Consulting has helped the Dewberry's of Dewberry Capital and the Restaurants Consulting Group with their zoning and permit needs. We have also served the premier permit expediting firm Permitting Consultants Ltd with zoning applications, community outreach for buy-in, and meeting facilitation. We have also helped Tuskegee with outreach for the Revitalize Tuskegee Forum.; and the EJ Conference regarding rural, small town development.

Business Counseling & Training

Clovia Hamilton has served as a Small Business Procurement Counselor and Program Manager at the Georgia Tech Procurement Assistance Center (GTPAC). Clovia has taught several government contracting courses and provides small business counseling.
