- The Georgia Department of Transportation, *On Target* newsletter was created by Clovia Hamilton who served as editor and authored 5 articles in 1994.

“The OnTarget bimonthly planning newsletter is a sharp little thing.”-

George Crowell

Georgia Motor Trucking Association, '94

Nursing Services is facing an organizational change in that it will be merged with Fulton County's Wellness and Mental Health Divisions. Additional challenges include tough restrictions on the use of state funds. The inflexibility makes it difficult to shift funds and to increase budget amounts when there are shortfalls.

There is pressure to plan strategically and prepare a culture ready for positive change. There are state mandated goals as well as operational needs internal to the agency.
